Article published on May 16th 2012 | Home

Most of you may be having carpets that have been handed down to you as a family heirloom. Such carpets can actually fetch you more price than what your ancestors paid for them the first time. People who are not aware of the value of such carpets generally neglect to take care of the carpets which they might have owned them for many years. Ask a carpet lover or a rug merchant and he will tell you how valuable old heirlooms, especially a carpet can be. They can be so valuable, that carpet owners actually go in for rug appraisal Minneapolis services. Antique rugs are very much in demand and carpet lovers donâ€™t mind paying a huge price for authentic and unique antique carpets.

Importance of Rug Appraisal in Minneapolis:

Owning an oriental rug is like owning a diamond and hence you need to take care of the carpet as much as you would take care of your diamond. Insurance coverage is available for genuine oriental and antique carpets which you can claim in future in case of any theft or damages as described by the insurance provider. Although rug appraisal in Minneapolis is not that quite common, rug stores selling high quality and high value carpets provide customers rug appraisal services. They appraise all type of new and antique carpets including fine Persian workshop rugs, tribal designs, flat woven kilims, tapestries, etc. In order to have a hassle free experience during the process of rug appraisal in Minneapolis, always make sure to request a certificate of authenticity at the time of purchasing carpets.

Process of Rug Appraisal in Minneapolis:

â€¢ Inspecting the rug and assessing its value in terms of its origin, age, construction, material, quality, size and design.

â€¢ Determining the extent of its uniqueness.

â€¢ Assessing the type of weaving method used.

â€¢ Identifying the health of your carpet, taking into account its age and usage.

â€¢ Identifying damages and the type of repairs carried out over the years.

â€¢ Writing a certificate on completion of the rug assessment.

When Can You Buy Coverage For Carpets?

Many people are not aware that there is an appropriate insurance coverage for both new and antique carpets. Whether your carpet is many centuries old or just purchased, you can choose to get it appraised. Generally, large rug stores selling authentic, antique and oriental rugs provide in-house rug appraisal Minneapolis services. However, it doesnâ€™t necessarily mean that these stores provide coverage for carpets purchased only from their store. You can bring in any of your old or new carpets purchased from anywhere around the world and get it appraised at the store. Those of you who have never owned an oriental rug, but wish to invest in one, should consider rug appraisal Minneapolis services at the time of purchasing carpets.
