Article published on July 16th 2012 | Home

Sleigh beds have been traditional designs of beds encompassing every element of grace and elegance. Now you can have the same effect in the nursery room of your child with a sleigh cotbed. The same designs of highly secure cotbeds will be available with the woodwork designs of sleighs on both ends. It is graceful and getting your child to grow with a sense of good taste for fine living. If you are thinking this will cost you a fortune, then check out for yourself at an online store and you will be suitably surprised. There are cheap cotbeds with curvaceous sleigh designs that has the same security for your small baby. Then there is more value attached to it for your money.

The cheap cotbeds in sleigh designs is a convertible bed as well. That means you can later change it into a day bed for your child. There are multiple mattress positions available in it that gives you options of bedding as per your childâ€™s age and growth along with comfortable sleep. Therefore, if you choose a decent size of the sleigh cotbed you are also offered a day bed for quite a long time in your childâ€™s life before you have to buy him a real bed. Online stores and baby shops offering baby furniture have different shades of varnishes and colors in which these are available.

Sleigh cotbeds are available in different price ranges. While there are expensive designs of these beds ranging around Â£300 to Â£400 you will also find other options in designs. Avail cheap cotbeds that are also available in price ranges starting from Â£50 and going up to Â£150. There are special discounts and price reductions available in seasonal sales and occasional offers from the companies. If you keep a careful watch on online stores, you can make a real bargain with one of the best quality beds for your child.
