Article published on July 23rd 2012 | Home Improvement

Did you know that many home improvements and renovations immediately add significant value to your house? According to MSN House and Home, the following five improvements can increase the value of your home, often providing a payback of 86%-100%:

Heating System Installation

Minor Kitchen Remodeling

Major Kitchen Remodeling

New Bathroom

New Family Room

Also, according to Lending Tree, home remodeling and repair can increase the marketability of your house, if and when the time comes to list it on the market. If you have a long-term plan to stay in your house, then home improvements also offer many other benefits, which include most importantly helping your home run more efficiently. With the evolving technology for home improvement, you can save as much as 50% on your electric, oil or gas bills.

Tri-State Creations offers remodeling on not only kitchens and bathrooms, but your basement as well. Turn your musty basement into a whole new level of your house by adding a bedroom, plumping, electric, insulation and much more. Did you ever think that your basement could be the â€œlife of your houseâ€•?

With Tri-State Creationâ€™s state-of-the-art home improvement needs, you can add beauty to any room of your house for a fraction of the cost. Best of all, Tri-State Creations offers home improvement financing to ensure that you can afford to make the home improvements that you envision.
