How to Fight Bed Bugs by [SterlingPest](#)

Article published on December 7th 2011 | [Home Improvement](#)

I suppose youâ€™d have to have been living under a rock the last few years to not hear about bed bugs and this worldwide phenomenon that some say is an epidemic. Bed bugs are not just in your bed anymore they are in schools, libraries, trains, buses, restraints, hospitals, theaters, storage facilities and just about anywhere imaginable .Help has arrived in the name of â€œMontyâ€• .Monty is a Certified K-9 bed bug detector dog and he is around 90% accurate. Human inspections are only 30% accurate.

The best way to control bed bugs is early detection and that is what Monty can do for you. This enables us to get to the bottom of the problem and solve it for a lot less money.

Monty just wants to let everyone know that he is here to protect you so you donâ€™t have to wake up with welts on your body.

So donâ€™t let the bed bugs bite at night, call Monty.

Visit our website to see a picture of Monty and to learn more about Bed Bugs:
