Article published on June 17th 2012 | [Home Improvement](#)

---Is your bathroom environment looking increasingly dingy? Have you designs on completely renovating the environment and fitting it out with premier products like Manhattan showers, Roca furniture, and fun accessories that give the room character and personality? If so then here at Rubber Duck Bathrooms our products are sure to appeal to you.

Whether you're intent on installing Manhattan showers so that you can hop in each and every morning before departing for work completely rejuvenated or if you require multipanel solutions for all manner of bathroom interior decors, shapes or sizes, then here at Rubber Duck Bathrooms our portfolio of bathroom products has something for everyone.

Here at Rubber Duck Bathrooms the aesthetic appeal and supreme design functionality of our products is most-notably demonstrated by our collection of Manhattan showers. With prices that start at just two hundred and forty nine pounds ninety nine pence and a diverse collection of design features sure to fit all manner of bathroom environments, Rubber Duck Bathrooms really is the number one place to purchase Manhattan showers

Haven Showers Bi-Fold Manhattan showers doors are a prime example of the superior Manhattan showers doors and products that we stock. These Manhattan showers doors are the ideal solution for any bathroom where space comes at a premium. The door itself opens in an inward fashion, a design feature that is imperative for those customers without substantial bathroom space, and the bi-fold Manhattan showers bi-fold doors feature four millimetres of thick glass and a stylish chrome finish that just oozes comfort and sophistication. The doors of these Manhattan showers are also reversible, and with a variety of sizing options, easy installation and being compatible with universal side handles, make the perfect addition to a number of bathroom environments.

Should you wish to find out any more information about our selection of Manhattan showers, accessories or indeed the addition products that Rubber Duck Bathrooms can offer, then simply come and visit us online at: www.rubberduckbathrooms.co.uk.
