Simali Stone Flooring are truly the stone specialists by Mary Porter

Article published on June 19th 2012 | Home Improvement

---If youâ€™re in the process of undertaking some significant home renovations? Have you soured the Yellow Pages and trawled through Google rankings, only to come up short in your quest to find a reputable stone flooring supplier? If this sounds all too familiar then you need only consider one business and that is Simali Stone Flooring.

Founded in 1994 Simali Stone Flooring was originally conceived as a fittings only stone flooring business. As the business grew so did our customer-base. Through our communications with customers we deduced that the poor advice they were receiving regarding most appropriate stone flooring for their individual environment. Here at Simali Stone Flooring we decided to begin to supply our own stone flooring to target the bespoke requirements of our clients.

With a large showroom in Shaftsbury that displays a comprehensive range of natural stone flooring products, all sold at prices to suit your specific budget, and dedicated and highly informative personnel, we are ideally situated to provide you with a level of service, and product range thatâ€™s second to none. Indeed, Simali Stone Flooring can offer so much more than simply stone flooring. Weâ€™re able to offer our customers a selection of limestone, marble, travertine, slate and terracotta as well as exquisite granite flooring, wall cladding, work and vanity tops.

Our lime stone flooring has unique characteristics, subtle beauty and great versatility, all of which has made it a popular choice for a number of different environments. The marble flooring that we provide is an integral part of our product portfolio and can offer a palette of colours. Indeed, the stone itself personifies permanence, integrity, quality and elegance. As with all the other stone flooring that we offer you can rest assured that whether you choose our limestone flooring, stone flooring, or indeed any other of our flooring products these flooring solutions offer the optimum in cost effectiveness and flooring integrity.

If youâ€™d like to find out any more information about any of the flooring solutions that we can provide, or indeed to view our portfolio of previous work, then all you need to do is simply come and visit us online at:  www.stoneflooringonline.co.uk.
