Tips to consider when ordering Sliding door wardrobes by Mary Porter

Article published on June 21st 2012 | Home Improvement

Made to measure Sliding door wardrobes make wonderful additions to bedrooms settings, theyâ€™re the perfect place to hang your clothes without intruding too much on the space that is available. Wardrobes with sliding doors are fabulous to use in bedrooms where access might be a problem they arenâ€™t burdened with doors that open outwards like traditional types of cabinets. Sliding door wardrobes are especially handy in loft conversions or bedrooms that have unusual recesses. Custom made to the customerâ€™s specifications the Sliding door wardrobes blend right in providing ample storage solutions in the most awkward of areas. Grab your tape measure and start checking the dimensions of those alcoves youâ€™d be amazed at where you can fit Sliding door wardrobes.

Choose your style

Match the Sliding door wardrobes with other items of furniture in your bedroom you donâ€™t want to clash with different styles. If you prefer the traditional look go for a wooden effect or for a trendy style select Wardrobes with sliding doors that come in a range of gloss colours. Think about mirrored glass on the Sliding door wardrobes if the bedroom is on the small side theyâ€™ll help to make the room look much bigger than it is. You can mix and match the panels on the front of Sliding door wardrobes if you like, add unique frame colours and make the doors as quirky as you want. Sliding door wardrobes can be created as unique as you are and thatâ€™s the beauty of these features.

Plan the layout

Itâ€™s all very well having funky looking Wardrobes with sliding doors but theyâ€™ll ne next to useless if they donâ€™t hold all of your clothes. During the design process consider the practicalities of the Sliding door wardrobes try to imagine how youâ€™ll use them on a daily basis. Do you really need that many garment rails wouldnâ€™t shelves fitted inside the Sliding door wardrobes be a better option instead? As well as hanging space you could have tie racks, pull out shoe racks, dividers for towels, hats and accessories, the skyâ€™s the limit for storage solutions inside Sliding door wardrobes. By taking your time and following a structured approach to the design of Sliding door wardrobes youâ€™ll have stunning storage solutions.
