Get the divine bliss in Radha Madhav Dham: by BeverlyWorgan

Article published on January 12th 2012 | Humanities

Far from the noise of the world, far from worldly worries, in complete tranquility and in the divine presence of great souls, the meditation takes you to the higher grounds of your peaceful co-existence with your true soul. You get closer to the self realization and the gap between the individualism and reunion with supreme soul decreases and you feel the indescribable experience of supreme pleasure. It is the time when you get the true meaning of your life. It is the time when you realize the truth of your life and it is the time when you lose your personal identity and are completely lost in to the trance of great reunion.

Radha Madhav Dham is situated in Texas, USA on a 200 acre property land. This ashram is visited by thousands of pilgrims around the world. It gives them a glimpse of Vrindavan that has a history of thousands of years. This place wins the hearts of the pilgrims as they feel home to the land where Radha and Krishna enchanted the world with their pure love and actions.

Radhamadhav Dham was established in 1990 and is the main center of Jagadguru Kripalu Parishat in US. More than 50000 devotees come to this temple from all over the world to take part in its annual religious and devotional activities. The visitors get the glimpse of ancient land of Vrindavan at this place.

The sweet and serene environment of Radha Madhav Dham is the most ideal place to realize the true meaning of Radha Krishna love. Shree Raseshwari Radha Rani Temple gives the glimpse of true nikunj darshan of Radha Krishna that is described in the Radhikopnishad. This place exposes you to the true nature of pure love and gives you an exhilarated feeling to experience the unification with the divine soul.

Radha Madhav Dham has become a holy pilgrimage for the devotees around the world. This place gives them the environment and divine company that brings them nearer to the goal of self realization and graces them with the divine blessings of Shri Kripalu ji Maharaj, who encourages the disciples to enter the endless boundaries of devotion and fly freely in the sky of their divine inspirations. He guides them on the path of their spiritual journey and supports them to attain the highest state of their meditation. However he passes most of his time in the India.
