Article published on December 20th 2011 | Insurance

Banking is an essential element in everyoneâ€™s day to day life. Earlier banks were only used to keep your money at a safe place but now its definition has vastly expanded. Today people not only deposit their money in banks but they also use them for purposes like money transfers, loans, international trade, investment, business support, fund transfers, international funding and much more. Since, so many purposes are solved from a banking institution; it has to be reliable and reputed like the Skye Bank.

Skye Bank is one of the most reputed and renowned banking institutions of Nigeria. The public limited company of Skye became a seamless consolidation of popular banking groups in 2006. These banking groups carry over 50 years of experience in their field, which makes this bank one of the oldest banks of Nigeria as well as West Africa. Our banking group facilitates every aspect of financial products and services for its customers, which is supported by a technological framework.

The two basic aspects of this banking institution that makes it popular amongst the customers and investors is its stock exchange of over 450,000 diverse shareholders as well as its secure and ideal shareholding structure in which no individual or company gets more than 5% holding. The bank works with a passionate staff and world class information technology that provides it strength in corporate, commercial, investment as well as retail banking. One most important field that Skye Bank caters in the most customized manner is Business finance.

The dynamic corporate banking group of Skye specializes in cut across many economic sectors with paying special emphasis on international trading. It operates and coordinates with a three-tier group whose expertise will assist you in growing your business at a faster pace. Its corporate banking is divided into fields like cycle financing, commodities trading, structured trade finance, tailor made financial solutions and overdraft.

Apart from business financing, Skye bank is also known for its simplified Money Transfer solutions. We have collaborated with the most renowned money transfer institutions to make this process faster and simpler for our customers. These organizations include names like Western Union, Skye Global, Skye FlitCash, AutoPay and many other international trade and transfer firms. Our 260 branches along with 600 ATMs present within our business premises also make all kinds of financial transactions much simpler for our customers. We look forward to make out institutions more beneficial for a vast variety of purposes by investing in potential sectors like Insurance, Capital Markets, Mortgage Finance, Trustee/Asset management and many more.
