You would have done all which you wanted to decorate your house with all that antique pieces, art attacks and your other favorite things but still something is missing or you want to flaunt them more profoundly then foscariini lighting have the solution for you.

Established in 1981 in Italy, Foscariini has transformed the simple lighting to fashion lighting. It was inspired by the traditional glass lamp skills for lighting which was then gradually taken to the next level with the use of other materials also, with the help of renowned designers. Foscariini wagashi and foscariini dolmen are part of this beautiful foscariini collection.

Foscariini Wagashi Series Of Wall And Ceiling Lights

Foscariini Wagashi are the series of wall and ceiling lights which are made up of fireproof fabric having different images on them which looks even different and vibrant with the light. It is available in different sizes and vibrant colors such as white, orange, yellow and black. The illumination of foscariini wagashi is complete, uniform and optimum and different bulb versions such as incandescent, halogen and fluorescent are available.

Foscariini dolmen is another good option to add to your home decor. These are high illumination lamps which you can use as wall lamps or hanging lamps or just leave them leaning towards the wall. They are designed to fill the room with high intensity and yet soft light. Therefore they are normally used where the high intensity of light is required. Foscariini dolmen lamps have two diffusers. The front diffusers are white in color and spread the diffuse light and the rear one are transparent and scatter light to disperse. Foscariini dolmen is easy to carry and install. Since it has two diffusers the bulbs are properly and fully utilized.

Foscariini dolmen or foscariini wagashi; choose any one you want, they are going to do wonders for your house and the decoration. Foscariini is a decoration in itself and when combined with other decoration ideas and things then your walls and the room look even more beautiful. With their availability in different colors, size and designs foscariini brighten up your house and the decoration that everyone is amazed to see and you can proudly flaunt your ideas and creativity which you have used in decorating your sweet home.
