We all know that allergy and asthma rates are exploding so it is essential to keep triggers to an absolute minimum. Carpets are one of the places that dust mites harbor most but contrary to popular belief ripping up your carpets is the worst thing that you can do. Since wooden flooring became popular, especially over the last 20 years asthma and allergy conditions have risen by a staggering 300%! Extensive research has shown that a clean well maintained carpet is the safest flooring for both commercial and domestic premises.

Cleaner Carpets are a professional and highly reputable company with one of the best reputations for carpet cleaning Plymouth; we service clients in Exeter, Plymouth and the neighboring areas. We understand what busy lives we all lead and are all about creating solutions to ensure an easier life (when it comes to carpet cleaning anyway!) We can accommodate both the industrial and domestic market and treat each carpet depending on the fabric. Our carpet cleaners are all highly trained in this specific trade and for added peace of mind and to assure you of the professional carpet cleaning Exeter service we provide we are an IICRC registered company and also proud members of The National Carpet Cleaners Association. We are so sure of our quality service that we offer a solid no quibble money back guarantee if you are not totally satisfied with our cleaning service.

Many of our customers come from recommendations which leaves us in no doubt that we provide the best carpet cleaning Exeter service.
