Deon Kotze: Be Away from Fraud!!!!!!!!! by Alexa Smith

Article published on December 3rd 2011 | Investing

Dear Friends Of Deon.At some point this year I have had email contact with you,

I was introduced to you by you dear friend and HONEST companion Mr Deon Kotze.

Well let me tell you how great your friend really isâ€¦â€¦â€¦..

Mr Kotze was sent just over $150,000 USD by my investors, on the pretences he was going to buy and sell gold in Zambia. He told us the contacts were already in place and that it was only a matter of needing the money and driving up to Zambia and that we would have gold in no time.

Months passed and nothing happened only excuses after excuses. Then Deon got sick, which can happen to anyone, thats a valid excuse and we understood that he was ill, so we were prepared to give him time to recover.

He tells us the money is safe and with him and that he would make arrangements to return the money.

However Mr Deon Kotze has stopped answering his phone, and wont return emails.

He has disappeared. He has STOLEN money that doesnt belong to him.

All we want is to get whatever money that is left back. The investors are very distressed at there loss. This isnt what they signed up for.

Deonâ€™s wife Zetta used to answer my emails, but she ignores my emails and calls, neither Deon or Zetta will reply to us.

All we want is to talk to them and to be told what is going on and where the money is.

Please Deon I know your reading this get in touch and let us know where our money is.

We are not going away. It is our money and you have taken it. This is just the start, we have waited over 3 months for the return of the money, but you ignore us. We want our money back.
