Mandatory conditions for claiming tax relief by Robert William

Article published on January 30th 2012 | Investing

Tax payment is a mandatory process for the citizens not only for their own sustenance but also for the welfare of the state. Everyone wants to save taxes. However, the perfect procedure is not known by all. There are various ways for claiming tax relief. While making payments the question what tax relief I can claim may hit your mind.

Conditions for claiming tax relief

Tax can be claimed under certain circumstances like natural calamity, medical claims, for the car you use for work purposes. Under these mentioned conditions, you can easily claim for a tax relief. However, you could not demand the daily expenses, which you spend in commuting to work while claiming for tax relief. If you want to claim the amount first you have to calculate the miles that you have travelled to come to work, then you have to multiply the miles by the vehicleâ€™s mileage rate. After getting the amount deduct the petrol price provided you by the employer. The amount refunded is what remains after the deduction of the petrol money from the total amount. Another most important ground of tax relief is uniform tax relief. Claiming tax relief for uniforms is only imposed upon those persons who wear a particular uniform in their working place.
