At a glance you can take a look at the live stock market statistics such as charts of stock prices, top gainers, top losers, etc.

When it comes to investing in the Indian stock market, it is NSE and BSE companies that make trading happen. There are thousands of NSE and BSE companies to choose from. Ltd., Prism Informatics Ltd., Jainex Aamcol Ltd., Nitin Alloys Global Ltd., Aditya Mills Ltd., Reliance Mediaworks Ltd., Akash Agencies Ltd., Core Education & Technologies Ltd., Hubtown Ltd. are few of the NSE and BSE companies worth mentioning.

So, you are a cricket freak and never miss watching the sport in person or on TV. Even if you happen to miss it, you get the cricket scores live ball by ball, visiting your favorite news portal. Currently there are no international matches happening; but yes, you can view cricket scores live of all matches that took place over the month online. Matches will take place from December 26.
