A Gift for All Reasons: the Versatile Wooden Jewelry Box by Edan K Alvo

Article published on December 17th 2011 | Jewelry

Itâ€™s well known that a wooden jewelry box makes a great gift. One of the reasons for this is how versatile it is as a gift. Some gifts only really make sense or are even only available during certain seasons. Thereâ€™s no particular time of year or specific day you have to wait for in order to make a wooden jewelry box an apt and fitting present. Any time, any day, any reason, is a good day to give (and receive) a wooden jewelry box.

New Yearâ€™s: Right from the get-go (and right at the end) our year has a day of celebration. Why not finish the year off and start the new one with a blast, after all? A wooden jewelry box makes a touching commemoration of another year that you are looking forward to spending with one another, and also affirms that this year will be even better than all the previous ones.

Valentineâ€™s Day: Yes, this is kind of an obvious one, but who doesnâ€™t want to get an extra-special on this romantic day? A wooden jewelry box is a unique, sure-to-please gift that will make anyoneâ€™s Valentineâ€™s Day more than just the half-way point of February.

April Foolâ€™s Day: Okay, maybe this isnâ€™t the best day for a wooden jewelry box. Instead, you could hide the wooden jewelry box she already has and pretend you have no idea what sheâ€™s talking about when she asks where it is. â€œWooden jewelry box? What wooden jewelry box?â€• (On second thought, maybe thatâ€™s not such a good idea. Forget we mentioned it.)

Motherâ€™s Day: Mom is a special lady who also deserves a special gift on her special day. She may be from a previous generation but a wooden jewelry box is a timeless gift with a wide appeal. Receiving one from you will remind just how precious she is to you.

Fatherâ€™s Day: If your dad has a lot of tie pins, watches or cufflinks that he needs to keep organized, a wooden jewelry box should be just the thing.

Christmas: Itâ€™s the biggest gift-giving time of the year, but giving someone a wooden jewelry box will ensure that your gift doesnâ€™t get lost in the shuffle. It will stand out both at the time and much later, when the holidays are over.

Personal special occasions: If youâ€™ve got an anniversary coming up, whether its to commemorate your marriage or the day you met, or somebodyâ€™s birthday, a wooden jewelry box is the perfect way to give them a gift they will never forget and will want to keep forever.
