Article published on December 2nd 2011 | Jewelry

Tiffany, also called as Tiffany & Co., the NYSE: TIF, is a silver and jewelry American company, which opened in 1837. In 1853, Charles Tiffany took the control of the company and simplified company name to Tiffany & Co,. Since then, he made the decision to focus on operating jewelry industry business. And from then on, Tiffany gradually set up branches in the global cities. Especially, Tiffany made the standard measure to produce their precious stones and platinum, and it also was the official standard measure acclaimed by the United States government. Until now, Tiffany is still one of the most famous luxury companies in the world. Among these products, Tiffany Blue Box is even the unique symbol style of the fashion practice.

Tiffany jewelry series

Tiffany Keys jewelry series, which the inspiration came from the key collected in the treasures. These key collections were made by experienced goldsmith and silversmith through manual, and they were exquisite chic and the classic lasting appeal ones. They were mainly used as jewelry box, souvenir box, photo album, diary and trunk, even as the open country manor private clubs and the key to the front door. And the other key with gem collection were conserved in gallery, and designed to brooch or hung adorns, as the gift to dignitaries. With the time goes, the legendary color amulet of derivatives now have become the Tiffany Keys series, the story of those years now gets a new orientation and interpretation because of Tiffanyâ€™s extremely brand symbolic pendant or hang adorn. Profound historical lasting appeal, the quality of the supreme, hanging round or oval in the above link, pendant material chooses 18 K gold, rose gold, platinum and silver set auger, which make each Tiffany Keys unique elegant but still full of fascination.

As a prestigious diamond jewelry brand, Tiffany recently has another shop located in Beijing Oriental plaza. The women's diamond series and the collection of classic watches show specialties of products and the eternal time tunnel through fashion. Tiffany collection female table, in this exhibition, Tiffany held several sections about four seats table products lit the visitorâ€™s passion, these table products including inlaid elongated cutting gems and Lucida. Diamond 18 k white classic watches and Art Deco style of drilling, especially with table drilling of table style Art Deco, from the eyes, in addition to a chain of 326 round diamonds inlaid cutting 104 of elongated and cut diamond drill outside the watch chain, more platinum include 168 of circular cut diamonds inlaid table drilling. These refined magnificent watch products can make Tiffany clocks in the legend history, and become the latest exhibition of the largest window of Tiffany Accessories.
