Deep Love in Cartier Jewelry by Catherine

Article published on December 14th 2011 | Jewelry

Many jewelry pieces are available that might enhance the wonder of women. Cartier jewelry may be the top one out of the list. It is women's deep love as it is designed to be "one of a kind". Many can be personally crafted and created with a special one in mind.

This French luxury jeweler and watch manufacturer was founded in Paris in 1847 by Louis-Fran?ois Cartier when he took over the workshop of his master, which later been taken over the administration of the company. The company has a long and distinguished history of serving royalty, as well as stars and celebrities with the name of the Cartier family of jewellers whose control ended in 1964 and who were known for numerous pieces including the "Bestiary".

The history of Cartier is fantastic, this company was originally a jewelry boutique. The first wrist watch made by Cartier was called the Santos Dumont named after the Brazilian Aviator in 1904. 2 years later, Cartier began experimenting with jewel-encrusted watches. 1917 saw the introduction of the famous Cartier Tank watch. Long regarded as the single most important and influential watch design of the 20th century, the distinctive timepiece was designed in tribute to the Allied Tank commanders who helped defend France during World War I. Today its watches are Swiss-made with French high style.

Cartier jewelry is most often described using words such as modern, romantic and timeless. That is another reason why women love them deeply. Its style comes in different colors, sizes, shapes and designs. They are mainly made of glass, acrylic, crystal, gemstone, polymer clay, porcelain, sterling silver and etc. They are also coming out every day, so there is something for everyone. It is only a matter of knowing and looking for what you want. Cartier jewelry pieces are well known for their amazing designs and styles. There is nothing better than giving such a sweet gift which is handmade by yourself to your lover.

Today, you will find various Cartier jewelry pieces have frequently appeared on many celebrities' hands, necks and fingers. Some women like to collect them. As they make a wonderful gift, a fashion announcement, and a pleasant to the eye addition to their collection. They are high standard but affordable which allows people to collect them but don't need to break their bank.

What's more, Cartier ever made a memorable appearance at the International Exhibition of Modern Industrial and Decorative Arts in Paris, in the Pavillon de l'Ã©lÃ©gance. Cartier jewelry is a brand which have the power to make your world more gorgeous!
