The most famous brands in the world of jewelry this monsoon 2012 they made their collections basically inspired the world of the deep sea. Many famous brands have their creations inspired by the sea and its creatures, but as ever this year, most collections of jewelry are entirely inspired by the magic and charm of the marine world. Starting our journey in the most creative jewelry house, we start from one of the most famous that got their start with jewelry but a few yearsâ€™ gives us beautiful creations jewelry, and that I'm talking about rashmi mehtaâ€™s gembel diamond.

Rashmi Mehta diamond; The collection presents this 2012 monsoon season is full of precious objects and irresistible to any woman. Among the objects made, more beautiful bracelets are plated steel with the earth in the center, identification of the mark; delicious twins are also made of steel with laser printing Geo. Very special also pending, also in steel, with central Swarovski crystals. Prada but it has really delighted with a collection of diamond inspired by the sea, called Shell Diamond Collection, limited edition. Creating Prada presents earrings, necklaces and pendants in the shape of shells and other sea creatures that every woman looks very attractive and fashion. As usual this time Rose has surprised us with the Rashmi Mehta diamond collection monsoon 2012. Rashmi Mehta Gembel creations have always been for the attention to detail and the uniqueness of realizations. This summer the famous house of diamond designer gives us precious jewels and colorful large, so big for fashion jewelry and especially colorful.

The jewels of this line are made of silver, but embellished with small diamonds, and certainly with these bright colors will highlight your tan. Rashmi Mehta diamond following the trends of this year has created a line of diamond for this monsoon by the name of Natural Attraction whose best pieces are the charms representing a starfish in white gold and sapphire wisteria and brooches in the shape of squid in gold, but embellished with diamonds and sapphire blue. Surely a line is very attractive and elegant. If you want to spend a little bit less to be trendy but not giving you your bearings on the new monsoon collections of jewels Miss Sixty, which are composed of vintage-inspired jewelry. Earrings, necklaces, bracelets that are charm of Miss Sixty us back in the sixties, with their bright colors. And definitely give a twist to our monsoon clothes, giving us a fresh and youthful. The advice is to not overdo it in wearing diamond, you just know how to match well to our clothing and our whole look is perfect.

Rashmi Mehtaâ€™s Gembel is also famous for diamond rings, topped with cut diamond drop, or heart-shaped, or oval or even a pillow to wear individually or together on one finger, to add even more luster to luxury. Recall that the yellow diamond is very rare because of natural origin, is not treated briefly, but owes His particular color in the presence of nitrogen. After being launched on the market monsoon elegant Tiffany brand, these diamonds will soon be replicated sure, maybe somewhere else haute jewelry and we will find them in the windows of valuables. This is intended as a small suggestion for boys who want to please their women with a unique and precious gift.
