Ruby Rings â€“ the New Choice for Engagement Rings by Vishnu Batwra

Article published on December 5th 2011 | Jewelry

The word ruby originates from Latin word â€˜ruberâ€™ which means red. Basically prices of rubies are determined by color. Incandescent and most valuable and precious â€˜redâ€™ ruby also known as pigeon blood red, proclaims huge premium over different qualities of rubies. Rubies are also the hardest stones among other gemstones with diamonds, emeralds and sapphires. Ruby is a pink color to a blood-red colored gemstone, various aluminum oxides or mineral corundum. The element chromium present in it causes red color. Ruby is intentionally considered as one of the precious stones as sapphires, emeralds and diamonds. Rubies have been historically mined in Thailand, Samlout district and Palin district of Combodia, Afghanistan and Pakistan. The finest source of rubies is Burma, which is now known as Myanmar.

Ruby rings are the impeccable exquisite gift for some one special in someoneâ€™s life. For engagements, ruby rings are perfect sort of gemstone. Solitaire ring settings are designed purposely for engagements are expressive and impressive as well, also they are very elegant.

Vintage solitaire styled ruby rings is timeless fashion statement. If you want truly staggering solitaire ruby ring for designer purpose browse with some good jewelers. Ruby rings have been an attribute of power, virility and great love. Ruby rings are mostly worn on special occasions and this is the sole reason why you will find thousands of ruby engagement rings and ruby wedding rings.

Ruby engagement rings are availed in different shapes and styles; whenever you look-up for ruby engagement rings, always chose the best one as you are taking it for your loved ones and it has to be in that personâ€™s hand for almost life-time.

Custom-made ruby rings are also in option whenever you feel to get it finalized in your own way.

The design of a ruby ring should also convey agreeable attention to long term durability of ring. Equal significance should be given to good looks, long-term durability and good craftsmanship. As this gemstone is quite expensive it should be kept in mind that the size of the ring is not too large. The expensiveness of the ring is compensated with its gorgeousness.
