Navi Mumbai is a city of the state Maharashtra said to be the largest planned city in the world. Navi Mumbai was developed keeping Mumbai city in mind and now it has become so efficient in education for itself that only 4% of students go to Mumbai for the purpose of education. There are around 128 primary schools and 80 secondary schools and the average literacy rate of the city was recorded as 74%.

Navi Mumbai not only has best of schools but has also given great educationist to the country. In Navi Mumbai teachers love teaching and children loves learning because of the creative teaching and learning methods adopted by the schools. The schools in Navi Mumbai are affiliated to CBSE, ICSE or the Maharashtra state SSC board. The best schools in Navi Mumbai are Apeejay School, Fr Angel, DPS, Avalon Heights International School, Podar International School, Bal Bharti Public School, Ryan International Khargar, SBOA Public School, Sacred Heart and DAV Public school.

These schools are best and have managed to come to the top slots due to their genuine education and high class infrastructural amenities. Apeejay School has topped the list. The school is located in Nerul, Navi Mumbai. It is an English medium co-educational school affiliated to the CBSE board. The School believes that it is important to grow a child in all prospects so it provides an ideal platform for physical, mental, spiritual and emotional growth to the children.

The ultimate aim of the school is to make their students proficient in term of education and developing social and moral values in them. The campus of the is embedded with all kind of facilities like a well-stocked computerized library with thousands of book, computerized laboratories, science park, science laboratories, sports facilities, medical infirmary, counseling and remedial teaching.

DPS located in sector 52 of Nerul, Navi Mumbai is an English medium school coeducational school affiliated to the CBSE board. The school takes care to rear up every single student as a responsible and committed citizen of the country. The subjects taught in the school are English, Hindi, Sanskrit, French, German, Mathematics, General Science, Physics, Chemistry, Biology, History & Civics, Geography, Psychology and Computer Science. For classes XI & XII level, the school is offering a choice of four streams - Science (Medical/Non-medical), Commerce and Humanities.

Bal Bharti Public School is also an English medium coeducational school affiliated to CBSE board. It offers education from class nursery to class 12th. The school is unique in itself and highly committed to its aim. The aim of the school is to create students with extra ordinary skills and knowledge who strive for excellence. The teachers of the school are well trained and adopt interactive way of teaching to reduce the gap between a student and a teacher.

Navi Mumbai is already a very great place for education but still its growing and it will keep on growing because there are no limits to education. Schools of Navi Mumbai can prove to be the nicest experience of a child's educational life. The students of these will be developed as the better and responsible citizens of the nation.
