Article published on May 7th 2012 | K-12 Education

Girlâ€™s school in Delhi and Dwarka are specially built to cater the best facilities to the girl child of India. These schools are providing all the necessary facilities which are helpful for the girls to make them equivalent with the boys. These schools are highly professional who know the special needs of a girl child.

Mostly private and public schools of girl child are hiring the extremely talented teaching staffs that are excelling in their field of education. Either they are language teachers or subjectâ€™s teachers. Students who are coming from various backgrounds are having different mindsets. These teachers are well known all the aspects of such children. The teachers are not only teaching the academic subjects to those children but they are doing the duel role in exploring and enhancing the hidden good personality of each child. They are working here as a teacher and a personality grooming instructor role also.

Apart from this the best quality of such school is also lays in the best infrastructure and total decorum of such schools. These schools are well built and providing huge space to handle each task of their students either it is academics, sports or some cultural performance.

They are providing the classes ranges from nursery to 12th standard in their academics. Which also includes other facilities such as a huge paly ground, lost of activity periods that includes art and craft, cookery, fine arts, clay modeling, flower arrangement, music, Indian and western dance classes etc.

In sports also all the students can do each work or play which is primarily meant for the boys such as playing cricket, basket ball, tennis and many more other games. Such games are equally handled by the girls in various girls schools. Not only this in the same field they have won the national and state level awards for their school and for their on better career and further college admission.

Girlâ€™s child can also take part in various other activities at the school level while they are performing for their school annual or occasional function and celebrations. They can enroll their names in NCC, taekwondo, marshal arts; swimming etc. special coaches and attendants have been appointed in various schools to train the girls all such types of special skills.

More over in their 11th standard they can choose any of the subjects from various combinations in science field, commerce field or humanities also. The schools are providing all the subjects which are quite useful for the students in their college grade too.

All such facilities if girls are getting under one roof of school. And some educational excursions are also organizing many a times where theses students can take a out door means out of India tour also for encouraging and providing them the special privilege for showing their talent in international grounds. It brings a sense of pride not only for the students but for parents and nation itself.
