If one goes for secured 1 year loans, he would have to provide some form of collateral. This could be his vehicle, house or some other valuable property which he pledges in order to promise repayment in full. This way, lenders are put at less risk and thereby they provide cheap rates of interest. One can obtain money in the range of Â£5000 to Â£100000 for a period of 3 years to 25 years.

Payday Loans over 12 Months @ http://www.longtermpaydayloans.co.uk/12-month-loans.html

On the other hand, there are unsecured 1 year loans which are provided for a minimum of 6 months and a maximum of 10 years. A borrower would be allowed to get Â£1000 to Â£25000 when it comes to these types of loans. Lenders place a higher rate on these kinds of loans but it is well worth it since there are absolutely no risks in this type of arrangement. Credit checks are not done and one would be able to get either secured or unsecured advances even if he has a bad credit record.

Application for 1 year loans can be done at all times as lenders make their services available 24 hours a day. A borrower needs to be above the age of 18 and he should also be employed. A salary should be earned by him and he must have a bank account. This would help him get instant approval for 1 year loans. Also, since these are UK loans, a person has to be a UK citizen in order to be eligible to apply for such advances.

One would be able to get the loan he needs in just a few hours once he has applied. He can apply online any time he wants to. He has to fill in a form with some details such as his name, age, residence and so on. Once he has submitted the form, the lenders would verify the details and have the cash sent to him at once. Thus, one can get money as soon as he requires it without any kind of hassle.
