Having a bad credit history means facing a lot of difficulties in obtaining loans. Banks do not easily provide advances to such borrowers and even if they do, they quote very high interest rates and require a lot of time. This is why when the need is urgent; a person can simply not rely on regular loans. Instead, he would benefit by making use of 12 month loans for bad credit. These are advances that are provided especially for those who do not have a good credit history.

One can obtain 12 month loans bad credit anytime and there are no restrictions at all. These are either secured or unsecured advances which mean that a person has the option to either provide collateral or not. He can pledge his car or house or any other asset if he is to for unsecured loans. Since credit checks are not done, a person would be able to get any loans he desires at any time without worrying about not being approved.

Secured loans provide a borrower with Â£5000 to Â£100000 and unsecured loans provide a person with Â£1000 to Â£25000. Thus, the former affords a higher amount of money and more repayment time. Flexible terms are also offered by some lenders. A person can get cheap secured loans for a period of 3 years to 25 years. On the other hand, even though interest rates may be higher for unsecured loans, they come with no risk. A persons assets are all safe in this case. Unsecured 12 month loans bad credit is provided for a term of 6 months to 10 years.

Getting loans has never been easier with 12 month loans no credit check. One does not have to send faxes, go through credit checks or wait for ages and ages for his loan to come though. As long as he fulfills some criteria he can easily get the money he needs. He has to be over 18 years of age, with a bank account in his name. He should be employed and he also must be a UK citizen. This way, he would be eligible for such loans.

A person can apply for both secured and unsecured 12 month loans bad credit on the internet. He does not have to wait for any specific time as services are available constantly.
