Article published on December 8th 2011 | Loans

Most of the time borrowing of amount is done when we are in of large sum of cash. But there are many people like you who to fulfil small needs, borrow little amount only from the lenders. For borrowing small amount you need to check the rate of interest first. If the rate of interest is high then your principal repayments will be more and the borrowing of small amount will cost you more. Here is a scheme called 1500 loans which will give you lots of advantage. This scheme provides amount in the range of $100 to $1500. Suppose if you have to make your bills payment, have to pay the rent of the house and school fees of your child, then this scheme will be profitable to you. With this scheme you can meet your daily needs also like purchase of grocery and other eatable for the house. In this scheme there is no credit check, so if you have poor credit score also you can apply to the scheme. To borrow the amount you do not need to provide any type of collateral for the purpose of security. In this scheme you will have to do repayment of the amount in 2-4 weeks.

In 1500 loans scheme lenders does not ask for any type of documents from you for the purpose of verification. This scheme involves hardly any type of formalities. The only formality which you need to do while applying for the scheme is that you need to meet the requirements of the scheme which will allow you to apply to the scheme. The requirements are as follows:

â€¢ Your age should be 18 years and above.

â€¢ You should be a permanent resident of USA.

â€¢ You should be working with some firm for past few months.

â€¢ You should have an active checking account 3 months old.

After this, fill the online for the scheme giving all the necessary details, bank account number, reason for applying to the scheme and how much you need amount. Submit the form online. Amount will be transferred to you within one day.
