Article published on January 2nd 2012 | Loans

Are you a salaried? Do you need quick financial assistance? Do you feel applying payday loans will create problems on next payday? You might be right if you are choosing an ordinary payday loan. 3 month payday loans are best option to get swift cash with a better repayment option. These loans are not required to be repaid till next payday. You can choose multiple installments for repayment. You will be given 90 days to settle down loan amount. These loans are best option to get cash for your short term needs.

3 month payday loans are also arranged to bad creditors without any prejudice. The best part of this scheme is that you will not have to go through credit checking formalities. Lender just wants you to have nationality of US and an age of above 18 years. Along with this you must posses an active checking bank account and a stable source of income. Lender know how it feels to be called a bad creditor, so to help such people lenders have decided to approve your request on the basis of your earning. That's why you need to have paycheck of above $1000.

Nevertheless, there is disadvantage of these loans and i.e. high interest rate. Though online application process can help you to get inexpensive rate with bendable fund options. You just have to fill an online application form with your relevant details and cash will be transferred in your checking bank account. Generally, loan amount will be credited to you in just 24 hours of your request.

Loan amount usually varies according to your paycheck and lies in the range of $100-$1500. You can use this fiscal scheme to pay off pending bills, to meet medical expenses, to meet tuition fee of your child and many more are in this list. There will be no control of lender on usage of loan amount. One thing that makes this scheme more valuable is its collateral free nature. You will not have to put your assets on risk. This loan scheme will be available to you in every situation.
