Bad credit loan can be borrowed for any purpose by [Ellen Dale](#)

Article published on December 7th 2011 | [Loans](#)

Bad credit loan was launched in United Kingdom to help the people who need money even if they have bad credit ratings. A bad credit loan can be borrowed for any purpose whether you can spend the obtained amount to buy a new home or you can spend it on your dream holiday tour and there are certain other requirements that can also be fulfilled with it. Bad credit loan can be obtained by certain specialized brokers and banks. These brokers and banks charges a bit more interest from a bad credit holder as the loan is consider to be on risk.

Bad credit loan is almost similar to other loans and even the options available in it are also same as for the others. Therefore, you can choose from the secured and unsecured forms. Lenders usually offer around Â£ 5000 to Â£ 75000 in a secured loan and Â£ 1000 to Â£ 25000 in an unsecured loan. Therefore, if you want to procure a big amount, lenders will ask you to collateralize your asset in lieu of the loan. In a secured loan form you can even choose a lengthy time period to pay back your loan depending on your financial stability which could vary from 3 to 25 years. Before you sign a contract, be assured to deal with the lender who has Finance service Authority (FSA).

You can even use a loan calculator to make a comparison between all the lenders. It will assist you in choosing the suitable plan for you. You are also supposed to make your monthly payments on time as it is a good way to prevent bad credit ratings and bankruptcy.

You should be over an age of 18 years with United Kingdom citizenship; you must be employed in a company on a regular basis. All the above conditions are mandatory to procure a bad credit loan.
