Article published on November 28th 2011 | Loans

Debit card is useful and you can use them for many purposes even taking loan. Do you ever use debit card in taking loans? If no, then you can now use them as collateral to pledge against the loan. Now, debit card loans are introduced for those people who want instant cash to fulfill their financial crisis.

In US, everyone will be having debit card meaning they have great opportunity to avail such kind of short-term loan using their debit card. In order to apply for debit card loans are necessary for you to fulfill some basic terms and conditions such as:

- You must be a permanent citizen of US.

- You must attain above 18 years of age.

- You should have permanent job in US.

- You should have valid debit card.

- You should hold a valid checking account.

-

Through debit card loans, it is also quite possible for you to acquire fund that ranges from Â£100 to Â£1500 depending upon your value of debit card. As it is a short-term loan, you need to repay loan within 14-31 days.

This small fund that you obtained from these loans can be utilized as per your wish in many purposes such as electricity bills, medical bills, grocery fees, car repairs, home renovation and wedding expenses etc. It is very useful for those people who want to get rid of urgency that comes in their daily life.

The great advantage of these loans is that even people with bad credit ratings such as CCJs, IVA, defaults or arrears may easily apply these loans without making any hassle. There is no requirement of collateral as debit card is used as collateral.

Moreover, in the process of debit card loans, there is no obligation, no paperwork or faxing for accessing the application since you need to access through online mode. This takes less time to apply loan. If you have any valid debit card then it is not a problem for you to avail these loans in the least possible time.
