Installment loans- Eliminate Cash Troubles Within 24 Hours by Jason Smal

Article published on February 23rd 2012 | Loans

Do you need cash assistance to bridge cash deficit between two consecutive paydays? Are you apprehensive of repaying in lump sum? Good news! Now, you can borrow money and pay in easy installments. Yes! Apply with us at Instant Installment Loans and avail installment loans within few hours of applying.

We have exceptionally easy criteria for qualifying for these loans. Take a look:

â€¢ You should be a citizen of the US,

â€¢ You should be above 18 years old,

â€¢ You should be earning a stable income of at least $1000 and,

â€¢ You should be having a valid checking account.

When you apply for installment loans, you can get a cash amount in the range of $100 to $1500. Tenure of 14-30 days shall be available for repayment. Make use of the money for any purpose like payment of pending bills, shopping, medical checkup and credit card dues etc. There are no restrictions pertaining to the usage of the loan amount.

At Instant Installment Loans, we do not have any issues with poor credit ratings like default, missed payments, arrears, insolvency, bankruptcy etc. We accept applications with any kind of credit score. Hence, do not harbor any apprehensions in case of bad credit history; apply nevertheless.

There are many exceptional features in our application process. You do not have to repay the amount in lump sum. Return the borrowed amount in installments as per your financial situation. We shall get you deals at lower interest rates whatever your circumstances may be. Moreover, when you apply there is no need to fax any documents. We do not charge anything for the application process. It is free of cost service.

Apply quickly by visiting our website and sending us the complete online form. Within 24 hours of applying, you shall receive approval and the money shall be directly deposited into your account.

Apply right away.
