Article published on January 13th 2012 | Loans

Losing amount as well as wallet is not a new thing for individuals as it can be happened any time. In fact, if you have lost your wallet or spent the fund at the time of traveling then loans by text are there to endow you additional financial support at any point of time. Applying for this financial aid is no problem. Right now you need to type a text message and send it to the loan provider. This can get you offered the fund directly into your account in a very short span of time. As a consequence, loans by text are like a proverb â€œA Friend In Need Is A Friend Indeedâ€•.

Prior to exert for loans by text, you must be registered with any online loan provider. You are offered a unique PIN code by the lender that has to be mentioned in the text message. Once the money provider verifies this PIN number, it is approved and the fund is transited into your account within a matter of minutes. Well, you canâ€™t wait for a big fund by way of these loan schemes and they improvise your minor multiple needs like paying medical bill, electricity bill, credit card bill, paying for restaurant bill and so forth. Under loans by text you can fetch an amount up to Â£100 for the repayment term of 7 days. Interest rate levied on the fund is a bit high.

Loans by text also let bad credit holders to raise the most out of its advantages without facing any hurdle. Your earlier bad credit records also are not checked by the lender. This is because you can avail the mentioned loan sum irrespective of bad credit ratings like defaults, CCJs, arrears, IVA, late payments, missed payments, foreclosure, insolvency etc. But prior to apply for loans by text there are some certain prerequisites to fulfill, like

Your age must be 18 years old,

Your nationality must be of UK,

Your job status must be permanent,

Your valid active checking account must be three months old &

Mobile phone number and email address are also must.
