Nirmal Ujjwal Credit Co-operative Society Nagpur initiative of providing Education to poor Children

Nirmal Ujjwal Credit Co-operative Society Pvt Ltd, Nagpur is a prominent name in strengthening the financial structure of the Indian state of Maharashtra. Since its inception, this organization has made laudable efforts with a sole vision of equipping the needy and the poor with an appropriate and affordable monetary assistance.

Today, Nirmal Ujjwal has developed a prominent presence in all throughout the Indian states of Maharashtra and Madhya Pradesh with 22 branches, 27,000 member share holders, and employee strength of more than 1,200. All their efforts have contributed much to the overall success of this organization that is currently ranked among the top 10 credit societies of Maharashtra, and 2nd in Vidarbha region. In addition, the establishment also boasts to have a capital share of more than 10 crores. All these glorious feats have helped the establishment much to gain a substantial support and recognition.

Gaining much experience from running such a large outfit, this credit lending organization has recently made a structured foray in providing education to the poor children. It is indeed a praiseworthy effort from Nirmal Ujjwal Credit Co-operative Society Pvt Ltd, Nagpur, presented under the lights of the growing issues of illiteracy in India. Today, the entire nation is found to suffer from the vices of illiteracy. Hence, there was an urgent requirement of the large organizations to come forward and provide relief. This need of the hour is greatly facilitated by this credit lending institution.

By educating poor and under privileged children, they have truly made a serious attempt to ensure the nation with a better and brighter future. For this, Nirmal Ujjwal Credit Society has organized book donation camps and has also built study libraries in different parts of Maharashtra. Recently, they are in talk with the respective Gram Panchayats and Tahsils of different villages in this part of the world to start learning centers for the poor and needy students. This noble initiative will surely help many bright brains who are too poor to afford electricity in their respective homes.

Currently operating in and around the Indian states of Maharashtra and Madhya Pradesh alone, Nirmal Ujjwal Credit Co-operative Society Pvt Ltd, Nagpur is planning to set for ventures in other parts of India too. So, the day is not far away when we can expect that all of India will be truly united under the lights of education and rationality. And to ensure that bright future, more and more branches of this credit lending organization is required to come over all across the nation. It is only thereby they will be able to avoid the logistical paralysis, and make a well structured effort in educating the poor and unprivileged children to curve a better and brighter India.

One of the main reasons I've decided to launch an auction site was to put some fun and honesty

back into bidding and negotiating. I have dedicated alot of time and effort to ensure that both buyers and sellers have adequate help by writing an extensive help section. I've also implemented rules to help ensure that a reasonable solution can take place in case of a buyer and seller dispute. I hope you enjoy your stay.
