Article published on December 5th 2011 | Loans

Money plays a vital role in every individualâ€™s life. Shortage of cash leads to many problems. Many a times it is seen that a salaried feels it bit difficult to face some unexpected needs. But now there is a quick way to get cash for your short term needs and i.e. payday loans no fee. These are swift cash loans that are crafted in such an easy manner that just few clicks will just be enough to earn instant money.

Payday loans no fee are swift cash loans that are easy to be applied on lenderâ€™s website. To get application from for this scheme you do not have to visit lenderâ€™s brick and mortal office. It is easily available on lenderâ€™s website. With the few clicks application form will be in front of you. Few required details like your name, age, sex, contact details, checking bank account number, paycheck amount, requested loan amount etc would be enough to gain swift cash. These loans will be approved to you only if you are able to meet the following conditions:

â€¢ Applicant must be an adult.

â€¢ Applicant must hold the nationality of UK.

â€¢ Applicant must have an active checking bank account.

â€¢ Applicant must be employed in any firm or organization and it is necessary to have a paycheck of above 1000 pounds.

Borrower can apply for this loan in two formats secured and unsecured. Lender is totally free to choose the format according to his/her financial situation and credibility. For those who want to earn huge cash should apply secured format. On the contrary unsecured option will be best if you want to borrow funds in the range of Â£100-Â£1500.

Interest rate is also different for different lenders. For those who are good creditor and applying for secured option interest rate is small. And for bad creditors it is quite high. Basically these loans are short term in nature and needs to be repaid till next payday. So it is must for you to maintain enough balance in your checking bank account, lender will automatically deducts loan amount from your bank account.
