Short term loans- Take your worries away by Sumner Fabian

Article published on January 16th 2012 | Loans

Financial ups & downs are the bitter realities of our life. Sudden expenses such as medical bill, car repairing, house renovation, weeding ceremony etc can knock at your door at any point of time. These works requires a lot of money in order to be completed successfully. Getting loans from banks & traditional lenders is quite toilsome job to do. So, if you want to arrange funds in a quick succession, then short term loans are ideal loans for you.

Actually short term loans offer short cash service. These loans are unsecured loans in nature as you are free from credit check & collateral placing criteria. So the interest rates are relatively high. With this loan you can draw any amount starting from Â£100-Â£1500. The lender believes on your promise to repay the loan. You can repay the loan within 14 days to 30 days. You can get extension in loan repayment by paying some extra fee. A person with multiple credit problems such as arrears, defaults, IVA, CCJ etc can also apply for these loans.

In order to be accepted for small loans you need to meet following terms & conditions-

(1) You should be a citizen of UK.

(2) You must be employed. Your monthly salary should be less then Â£1000.

(3) You should be at least 18 years of age or older.

(4) You should have a valid bank account.

The process to get short term loans is very easy. These loans are available online. There are many lenders who are expert in providing these loans online. You can compare interest rates of different lenders. This will help you to choose the lender who suits you the best. The lender will not ask for obligation. You need to fill an online application form with genuine Personal details such as name, age, gender, contact information, address proof, account number; employment details etc & submit it. No faxing of documents or paper work is required .The online application is free of cost. As soon as loan gets approval, the loan amount is immediately transferred into your account.
