Article published on January 23rd 2012 | Loans

Do you need cash urgently? Do you want it without placing collateral? Are you a person who does not own a house of his/her own and are staying in a rented house? If yes, then Small personal loans for 12 months are for people who do not possess a house of their own. They have come into existence for accomplishing your pending tasks.

The amount you cab grab in this finance ranges from Â£1000 to Â£25000. The amount has to be repaid within the stipulated time interval which ranges from 1 to 10 years.

You can acquire instant loans over 12 months for any of your personal or domestic needs. The needs can be for payment of electricity bills, repairing your car, payment of car installment, and so on.

They are given only to those people who do not possess a house of their own and hence they can be a source of cash for them. There is no hassle of placing security. They have become well-known due to their instant approval. In the online method, you do not have to fax any documents and it is very fast.

The amount in this finance has to be repaid along with a high rate of interest which in turn increases the burden of the borrower to repay.

Check some of the eligibility conditions which have to be fulfilled:

i. The borrower has to be above the age of 18,

ii. He/she should have a regular and permanent source of income,

iii. He/she should be a citizen of UK and

iv. He/she should have an active and valid bank account.

The traditional method takes long time for approval. The online method does not include many formalities to be completed. The person who wants to avail this facility can search through the various websites and fill in the online form. The company executives check the details and then the amount is deposited into your account.
