SMS Text Loans â€“ Fetch External Fund Sending an SMS By Chris Barry

Article published on January 10th 2012 | Loans

Holding a mobile phone is to have many benefits for individuals. One of these benefits of mobile is new that is to take financial facility at the time of fiscal crisis. If your cash need is small just about hundred pounds, use your mobile phone to type an SMS and send it and you can get the cash transferred directly into your account in the twinkling of an eye. Right now need to apply for SMS text loans and get fund soon to meet various urgent expenses akin to pay off electricity bill, health check bill, pay restaurant bill, pay for phone bill and so forth.

Applying procedure is done by your mobile phone nevertheless, when you get registered with an online lender, you have to meet some eligibility criteria of text loans. Eligibility criterions you have to follow as you must be a domicile of UK, you must be maintaining a valid active checking account for 3 moths old, you must be holding a mobile phone number and an email id. Apart from that you must have a regular job from last six months.

If you are having bad credit ratings, still you donâ€™t hesitate in availing these loans that are easy to procure and repay as well. You can do it within a few minutes and money will be transited into your account. Via online mode you also do not need to fax any documents nor need to paperwork. No charge is paid for application and so you can save your fund. Further, you can save your precious time due to faxless and no paperwork procedure. No credit check done and so, people suffering from adverse credit ratings such as CCJs, IVA, late payments, skipping of installments, foreclosure, arrears, defaults are also welcome to enjoy SMS text loans right away.

These loans are arranged to all borrowers to put an end all urgent minor expenses in two shakes. The fund that you can avail through SMS text loans can be up Â£100 for repayment period of 1 week. The interest rate charged on the amount is a bit high due to absence of security and very short term finance.
