â€œActress Demi Moore is seeking professional help to treat "exhaustion" and "overall health" issues, her spokeswoman said on Tuesday, following her split late last year from husband of six years, Ashton Kutcherâ€•, Reuters writes.

"Because of the stresses in her life right now, Demi has chosen to seek professional assistance to treat her exhaustion and improve her overall health. She looks forward to getting well and is grateful for the support of her family and friends," Moore's spokeswoman said in a statement to Reuters.

The official release of the above statement was due to the initial scandal of Demi being rushed to the hospital after a 911 call. Celebrity news website TMZ.com cited substance abuse as the cause, but that could not be confirmed.

Because of this, one cannot help but link such an unfortunate event to her recent filing of divorce to Ashton Kutcher. The said divorce case was filed sometime in November last year and have dealt serious damage to the actress ever since.

Some people are speculating that Demiâ€™s â€˜slowly losing itâ€™ and that the divorce is â€˜seriously ta on her.â€™ If one watches TMZ almost everyday, you mustâ€™ve caught glimpse of news regarding Kutcherâ€™s â€˜partyingâ€™ half across the globe â€“ in Brazil particularly â€“ with an unknown woman a batting an eyelash on questions.

But whether or not (and I strongly believe that it IS the cause) Demiâ€™s divorce is the reason behind her suffering, she undoubtedly needs one thing: a place where she can relax, unwind and think of the happenings for the past months. And what better place would that be than conference centers in New York? And since itâ€™s just that spacious, she can even invite friends â€“ around 100 or more, I say!

If youâ€™re not as depressed as Demi and youâ€™d just want to have a nice and elegant lace where important occasions in your life can be spent, then an exhibition hall situated in the bustling city of New York ought to do the trick for you! Thatâ€™s because not only are these facilities lavish and beautiful and comfy, the fact that they are located in NYC itself brings about a huge plus as it is known to be the place of glamour and ultimate relaxation â€“ the perfect place for your priced event to transpire.

Of course in choosing the best New York conference center, you must identify the whole placeâ€™s unique naked ambience, its exquisiteness, its space, and the whole interior. You need not look far and wide to do this; in fact, you just have to learn to be able to stretch your resources and voila â€“ you will have the perfect place for your perfect event!
