Make an Impact with a Custom Triptych Canvas Print by Hansel

Article published on January 12th 2012 | Marketing

Print My Canvas now offers a range of multi panel triptych canvas prints, professionally designed and crafted in-house to create a stunning piece of wall art for your home or office. Triptych canvas prints are incredibly popular, but not many printing companies are offering completely customised canvas prints on multiple panels. Choose a high quality image or photo, and Print My Canvas can offer you an incredibly high-quality multi panel canvas print. Print My Canvas are a new canvas printing company located in Queensland, Australia, and having opened their doors in September this year, the printing team have found many customers to be interested in triptych prints.

For a bold, modern look that will create an impact, a triptych canvas print is a brilliant option for your wall. Starting from $260, there are currently three sizes of multi panel canvas print available from Print My Canvas, with more to come. Utilising the latest in Epson printing technology, authentic Epson pigment inks and supreme colour calibration, a Print My Canvas print is the quality of a giclee printing lab, without the price tag.

If youâ€™re interested in getting a canvas print and have a 3:2 ratio in mind, you can explore other printing options like a triptych, multi-panel or panoramic print. If you are after â€˜wowâ€™ factor, the bigger the better. The best bit about ordering with Print My Canvas is that you will receive an instant online proof that will show you what your canvas print will look like. The printing technicians will never print anything that doesnâ€™t look fantastic, and thatâ€™s why the company offers a 100% Money Back Guarantee if youâ€™re not completely satisfied.

To place an order, simply visit the Print My Canvas home page and click â€˜Upload & Orderâ€™, and you will see one of the best parts of Print My Canvas â€“ our fantastic online ordering system. You begin by uploading your photo and from there you can choose your product type, size, artistic special effect, image retouching services needed and wrapping type. What is wrapping type? It is the kind of printing style that will be â€˜stretchedâ€™ over the wooden frame of your can print. You can either get it mirrored, bled or choose a solid colour â€“ a simple black border looks great on the right image.

We offer free shipping Australia-wide on your order! No longer will you have to pay 10-15% extra on your printing order â€“ you shipping costs are included in the price you pay. No matter where you are in Australia, the canvas print will delivered to your door, free of charge. Try and find another canvas printer using top quality materials like Canson canvas that offers shipping to your door within 5 business days â€“ completely free!
