Article published on April 26th 2012 | [Marriage](#)

Every time when somebody gets married we see the same old invitations, which are really very boring! In fact, there are numerous interesting wedding invitations designs and ideas available that you may select for your nuptial ceremony. Simply by using some creativity and putting some effort you can come up with attractive and amazing invitation designs which will really entice the guests to visit your big day. Wedding cards are considered as the curtain raisers of the big day, this is the reason why everyone should try to get the unique invitations which will surely generate excitement in the aura.

Here are few unique and amazing wedding cards ideas for you.

Photo Wedding Invites

If you want to make your nuptial cards stand out from crowd then you should try to offer a personalized touch to it. To make your invitation unique you may prefer to use the photo of the couple as the background of the nuptial cards and print the details of the marriage on the card. To give a unique appeal you should try to use black & white images. You may also use the venue of the nuptial as the background of the wedding invites.

Flip Flop Invites

This design is perfect for beach nuptial ceremonies, wherein the invitations are in the form of beach sandals. The cards are very well designed that resemble one flip flop of the pair and when the guests will open the card then it will form the shape of two flip flop to complete the pair. Some cool colors can be selected and the details of your nuptial knot can be embossed inside the card. This is one of the best innovative ideas which will surely entice the guests to become a part your beach nuptial ceremony.

Scroll Cards

This is a type of traditional Indian invitations that were used in early days by Queens and Kings. If you use this type of card for your nuptial ceremony then it will offer a traditional appeal to your big day. There are modern scroll cards available that you may use.

Reverse Mirror Invitations

If you are looking for unique and appealing invitations for your big day then you may prefer to use this type of card. The wordings in this card are written in reverse format and to read the wordings guests need to use mirror. So, when your guests will look at the card then they will not be able to understand at first. To read the wordings they need to use a mirror. By placing the card in front of a mirror they can read what is written on the card. You can also send a small mirror along with the card so that guests can read the wordings easily.

Unique and appealing cards are always appreciated by the guests. Some small things like weddings invites can add charm and value to your nuptial ceremony. While purchasing cards you should keep in mind that guests will just have a look at the card to know the venue and date of your big day, after that they will simply discard the cards. So, it is advisable that you should not spend huge amount of money. Simply purchase wedding invitations online and save some money!
