Blackberry torch 9810- the big daddy of all mobile phones by [Paul Smith](#)

Article published on February 10th 2012 | [Mobile Phones](#)

Blackberry mobiles are much loved all around the world and they have become epitomes of premium mobile phones all over the world. The blackberry torch 9810 was launched in August 2011 and Blackberry mobile fans were elated with it. It was the most powerful blackberry mobile ever at the time of its launch. The only thing that was hard to digest was the blackberry torch 9810 price. BlackBerry Torch 9810 price is 30000/- the blackberry torch is one of the most expensive mobile phones in the market. Let us have a closer look at this mobile phone to see if it lives up to its price tag.

The blackberry torch 9810 is solidly styled. It has a heavy, muscular body that is the trademark of all blackberry phones. The phone weighs in at one hundred and sixty one grams and has a slide out QWERTY keypad. The substantial styling of the blackberry torch makes it instantly recognizable as an upmarket mobile phone at first glance. The blackberry torch is equipped with a 3.2 inch tft capacitive touch screen. The touch screen comes equipped with multitouch and an optical trackpad. The blackberry torch offers 768 mb of RAM along with internal storage memory of 8 GB. The internal storage memory is expandable to 32 GB. The blackberry torch is geared for performance with a 1.2 GHz CPU and the blackberry 7 operating system. The user interface takes some getting used to but it is extremely efficient. Performance is the hallmark of the blackberry torch and if you are looking for a high-performance phone at the high end of the market- the blackberry torch 9810 is your obvious choice.

This blackberry mobile comes with a 5 megapixel camera with an LED flash. The camera offers features like geo-tagging, continuous auto-focus, face detection and image stabilization. This ensures that you can capture those special moments of your life on a digital format with utmost ease. The video recorder also records very high quality videos in 720p. The blackberry torch 9810 is a pleasure to use as it comes with numerous entertainment gizmos to keep you interested all the time. This phone is suitable for all types of online operations including watching online videos. The blackberry torch 9810 comes with additional features like proximity, compass and the indispensable GPS.

All that the blackberry torch does, it does with amazing alacrity and efficiency. The only thing that has stopped fans from buying this mobile phone is the blackberry torch 9810 price. Said to be the BMW of mobile phones, the blackberry torch 9810 remains a dream mobile phone for many.
