Article published on May 17th 2012 | Mobile Phones

One of the newest arrival and addition in the range of Nokia phones is the new Nokia Lumia 900. This is among the latest handsets that have been launched in the market and is coming with the Windows Operating system. This gadget is expected to be a better performer than the precious Lumia series by Nokia. Running on the WP7.5 Mango, it is assisted with a 1.4 GHz CPU. It guarantees greater speed and performing ability with the combination of the powerful OS and CPU. The phone has a 4.3 inches large display that brings a resolution of 480x800 pixels. The gadget has an internal 16 GB storage but lacks an external card slot. This means you would to restrict yourself with the limited memory. However in addition to this, you have 512 MB RAM.

Nokia Lumia 900 best deals are spread across all networks in the market. The handset comes free of cost with Orange at a line rental of Â£36 in 24 months contract. This deal would offer 900 minutes and 3000 texts. Another deal at a line rental of Â£46 gives you free handset for a term of 18 months. This deal would offer 1200 minutes and 3000 texts every month. The connection comes free of cost in both these tariffs. For data usage plans, you could opt the Â£41 tariff for 24 months that offers 900 minutes and unlimited texts with 1GB data usage. This deal has 4 months free line rental. With Vodafone, the gadget comes at a Â£41 line rental in 24 months term. It has to offer 900 minutes and 3000 texts with Â£50 cashback. Another tariff for Â£38.5 has 800 minutes and unlimited texts and 750 MB data. This deal offer 3 months free line rental.

Nokia Lumia 900 contract has good offers with O2. At a lower line rental of Â£31 for 24 months term would offer 600 minutes and unlimited texts. It would come with 6 months half line rental. For a 6 months reduced line rental @Â£1.99, you can choose the Â£39 tariff for 24 months period. This tariff has 900 minutes, unlimited texts and 100 MB data usage. A fairly good deal for users who need more minutes and data every month, is the Â£46 tariff for 24 months. This deal has 900 minutes, unlimited texts and 1GB data. It also comes with an incredible 13 months half line rental.

Technically, this gadget also comes with an 8MP camera and a secondary 1.3 MP camera. One great feature of the handset is the HSDPA that has a data transfer rate of 42 Mbps which is double than any other smartphone in the market. You may look out for more features and Nokia Lumia 900 deals to choose the most appropriate one.
