Article published on January 9th 2012 | Mobile Phones

Here comes a new and attractive Android phone from Samsung that has got the eye catching design. The phone is available AT & T, Sprint and T-Mobiles. The Sprint and T-Mobile variants have got 4.5 inch wide screen while the version AT & T has 4.3 inch wide screen. It is fondly called the Epic 4G touch on Sprint, the Verizon does not have it because it is getting the Galaxy Nexus. The Super AMOLED Plus display has got 800 x 400 pixel resolution and can fascinate you with its super bright colours. Other interesting thing about the phone is that this phone could be the first to get the Android 4.0 update in 2012. Samsung has partnered with Google to develop the Galaxy Nexus and so for sure it would get priority on the update. The Samsung galaxy mobile series is all inclusive of Samsung nexus S, Samsung galaxy S2 mini and Samsung galaxy fit price.

Samsung mobile phones are among the most stylish and fabulously designed mobiles. Other Samsung Phone that is leading in the market is the new Samsung Galaxy Fit. The awesome features and exceptional performance is the trademark of this phone. The bigger screen is its specialty that catches the attention of passerby. Now talking all about the looks, it has got astonishing body that never lets your focus go from it. The phone is featured with the 5 MP auto-focus camera which gives the user a tool to click lively images. Samsung Galaxy Mobile works on Android V2.2 (Froyo) Operating System that has got perfect support of 3.31 inch TFT Capacitive Touchscreen. The user can easily navigate the browsers according to their wish and can see the text very clearly. This phone is really adorable for the vivid shades and the flexible storage capacity of about 32 GB. The camera has wide range of shooting modes as Panorama Shoot. The stunning body of this phone comes with compact size that makes it fit to your palm. The edges are round and smooth giving it an embellished look. The user-friendly applications and stylish appearance of the phone has won many hearts.
