Samsung Wave â€“ a Smashing Phone by Jameskenrich

Article published on January 5th 2012 | Mobile Phones

Samsung Wave mobile is the first Bada phone that comes with the super AMOLED screen technology and 1 GHz Hummingbird chipset. The Samsung Wave 2 is larger than its predecessor. The screen is around 3.7 inch larger and the dimensions are 4.88 x 2.35 x 0.46 inches. The weight is 135 grams, which might be rather heavy. The looks are spectacular and grab attention from the on-lookers. The body has aluminum chassis and is easier to handle while operating. It comes with 5MP camera lens at the rear and the menu key is placed at the bottom of the screen that has a trapezoid shape. The mobile comes in four colors of White, Black, ebony gray and pink.

The Samsung Wave 2 comes with dual mics for the noise cancellation. The ear speakers are decent and loud and you will not find any noise distortion. The battery is a 1500mAh unit and gives a talk time of 6 hours and 20 days of standby time on 3G. The mobile comes with new features like the improved browser, SWYPE â€“ like text input and the OpenGL ES implementation for better gaming. Apart from this the Wave 2 has modern mobile OS - home screens with widgets, phonebooks, basic image edition, video editing, social networking, copy and paste, good stock vide, song recognition and music player with DivX/Xvid and the FLAC codec support. The connectivity options are the 3G, Bluetooth 3.0, FM radio, Wi-Fi, DLNA for media sharing and many more. The Samsung Wave 2 price in India is Rs.14,270 approximately.

The Samsung Wave 525 also runs on Bada 1.1 operating system and has a cool design with chrome rim all around. It comes with 3.2 inches touch screen and has a resolution of 240 x 400 pixels. There is also the 3.5 mm audio jack and a micro USB port at the top. The camera is a 3 MP at the rear that captures great images and is also possible to roll QVGA video recording at 15fps with the Touch Wiz camera interface. The Wave 525 comes with 100 MB of internal memory and can be extended up to 16 GB via the microSD card. If you are a social network freak, then you will love this mobile as it comes with social sites like the Twitter and Facebook. Browsing facility too is equipped in the mobile via the Samsungâ€™s Dolphin 2.0 browser.

The Samsung Wave 525 price in India is Rs. 5,499 approximately.
