Article published on January 31st 2012 | Mobile Phones

Sony Ericsson Xperia Arc S is one of the sleekest and most beautiful handsets that has been brought in by the company. It has a look that reminds you of a Sci-Fi gadget and it is very true as the phone flaunts some of the best features and technology in a small bundle. You would be pleased to know that this gizmo runs on the Android OS v 2.3.4 which is amongst the best of operating platforms in the Android segment. And to improve the working of this platform the handset has been empowered with a 1.4 GHz Scorpion processor. This combination makes the gadget one of the fastest and accurate mobile device in the smartphone segment. You also have the 8MP camera that also helps you to record videos in high definition.

There are various other applications that come built in with the phone to assist the needs of the business class people. The Document viewer/ editor, HTML browser with Wi-Fi connectivity, integrated online short cut keys etc give you fast access to all your office documents. The Neo Reader barcode scanner is an interesting feature that has been embedded in this phone. Sony Ericsson Xperia Arc S deals are available to its users through all leading network providers. They are coming at cheap tariffs and offer the best of phone incentives in terms minutes, texts and data usage.

Xperia Arc S deals with Vodafone give you free handset at a line rental of Â£20.5 in a 24 months contract. It gives you 100 minutes and 500 texts with 250 MB data. You would love the 3 months free line rental that comes as a gift to its buyers. For users who are looking ahead for more minutes and texts with increased data usage, can opt for the Â£31 line rental tariff for 24 months. This package has 300 minutes and unlimited texts with 500 MB data usage. Also you would have 9 months free line rental in this tariff. T-Mobile has cheap tariffs as compared to other networks. It brings a cheap tariff that has a line rental of Â£15.32, which would give you 100 minutes and 100 texts and 500 MB data usage. The network gives you 7 months half line rental. If you require more minutes monthly, you may go ahead for the Â£30.64 tariff for 24 months and benefit on 900 minutes and 500 texts.

Xperia Arc S contract with Orange in the dolphin plan comes at Â£20 line rental for a term of 24 months. This would give you free handset and you would have 200 minutes and unlimited texts with 100 MB data. As a gift, you would have an 8 months reduced line rental at Â£1.99.
