Sony Ericsson Xperia Neo deals - Exotic Features at Minimal Rate by Harry Johnson

Article published on April 6th 2012 | Mobile Phones

Different mobile network providers of the present times have come up with the unique idea of making various kinds of expensive smart phones available to the common public at much lower rates. Sony Ericsson Xperia Neo, known as the candy bar smart phone in the market, is one of them. The total cost of purchasing a handset goes out of budget for most people due to the fact that they have to spend money on both the handset and the SIM card. Sony Ericsson Xperia Neo deals enable the people to either purchase the handset and get the SIM card for free or vice versa. The surprising thing however, is that mobile manufacturers have not stepped up with any such idea. Itâ€™s the network that have discovered and made these schemes popular among the mass.

The handset is a unique eco-friendly smart phone that is one of a kind. From its glossy exterior, there is no way to tell that this smart phone was manufactured out of recycled plastic. It has also been designed to consume very less power. With the help of any Sony Ericsson Xperia Neo contract, one would be eligible to avail several exciting, additional mobile features which are extremely hard to get free of cost. Among the free gifts that are made available for the users through Xperia Neo best deals are included free rental for one year of mobile line rental, cost-free texting, cash back and so on. The 3.7 inches long LCD capacitive touch screen android has a 1GHz processor. The screen has a 16M inbuilt color capacity available in a 480 X 854 pixels resolution. The smart phone comes with many exotic features like Sony BRAVIA engine, Timescape UI, Scratch resistant surface and a lot more. Even some of the amazing features like 8 megapixel digital camera providing crystal clear picture quality, LED flash, touch focus, auto focus, Video calling and face detection also do not go amiss in this ace gadget.

An Xperia Neo cheap contract can be accessed online. All one needs to do is browse through all of them and choose the one that suits him/her best. This way you can save your time and energy in rushing to the mobile stores day after day to find out about any new deals that might have been invented overnight. All the details related to the handset as well as its features can be seen online. This method of representing mobile deals is commendable because here users get the opportunity to directly compare several mobile deals at the same time.
