Specifications of latest LG Lucid 4G Leaked phone by [John Henry](#)

Article published on March 27th 2012 | [Mobile Phones](#)

The specifications of the LG Lucid 4G have been leaked which have spread the rumour of second LTE-enabled phone. This handset is a Gingerbread droid of the mid range variety which is heading towards Verizon. The gadget comprises of a 4" NOVA IPS-LCD display with the display resolution of 480 x 800 pixels and the display size of 4 inches. Moreover, it also has the Gorilla glass protection. The 1.2GHz dual-core processor powers the device.

In the connectivity side, the data connection can be shared to 10 more gadgets. Moreover, the handset has Bluetooth 3.0 and USB 2.0 for transferring the data to other handsets. Wi-Fi direct support is available through which you can connect internet at the locations which are covered with Wi-Fi. Moreover, you will also get GPRS for connecting internet with support of network service providers. The internet applications inside the Lucid 4G include Google Search, Maps, Gmail, YouTube and Google Talk. Besides, the handset has built-in memory of 8 GB, which you can expend up to 32 GB in microSD card slot. On the other hand, its 1700mAh battery is capable to delivers the talk time of 8 hours and the standby time of 350 hours. The physical aspects of the handset include the weight of 142 grams and the dimensions of 119.1 x 62.2 x 11.4.

If you are a photography freak, then you can enjoy taking the snaps through its 5 MP camera with features like autofocus, LED flash, geo-tagging, face detection and smile detection. For entertainment, you can use its media player which supports the audio & video formats like MP4, DivX, Xvid, H.264, H.263, WMV, MP3, WAV, WMA and eAAC+. The Lucid 4G runs on Android OS, v2.3 (Gingerbread) platform. It also has an A-GPS support for locating the significant landmarks at unknown destinations.

We can't predict about the availability of the deals with the LG Lucid 4G. But, the expectation is that the gadget will come available under the deals with most of the network providers of UK, such as Orange, O2, Vodafone, Talk Mobile, T-Mobile and Three. You will not only get the support of network providers, but will also be able to acquire various offers under the deals which include cashback offers, free talk time minutes, free text messages, reduced or no line rental and more. Some luxurious items such as laptop, LCD TV etc., may also be provided to you as free gifts under the contract deals.
