Article published on March 17th 2012 | Mobile Phones

Three, a leading network provider in UK, will offer the smartphone â€“ Nokia Asha 302. You can buy this gadget from Three stores now as well as from the websites which offer the handsets with Three deals. In the Nokia Asha 302, texting and updating social networks is an easy task for the users. The gadget comes equipped with QWERTY keyboard which allows you to type the text at faster speed as compared to the alphanumeric keypad. Besides, you find the dedicated shortcut keys for SMS, Wi-Fi and Bluetooth in this device. The feature of push email to deliver emails and social media updates straight to the homescreen of the Nokia Asha 302 can also be witnessed in this device. Therefore, there is no scope of missing of significant messages.

The handset has a metallic design and has the light weight of 106 grams and the dimensions of 115.2 x 58.9 x 13.5 mm. The TFT screen of the handset displays up to 256K colours. Moreover, the gadget comes equipped with 3.2 MP snapper with image resolution of 2048 x 1536 pixels. You can add approximately 14000 pictures and 7000 audio files in mammoth memory of the handset. The media player and stereo FM radio with RDS are the entertainment features of the gadget. The gadget has microSD card slot with capability to keep the storage space up to 32 GB. On the other hand, you also get a small internal memory of 100 MB in the gadget.

Sylvia Chind, head of branded handsets at three said that having QWERTY keyboard, the Nokia Asha 302 enables people to stay in touch with friends and family through email, social media and instant messenger. She added that with the plan named â€˜all-you-can-eat-dataâ€™, the users can surf th web and download content without worrying about going over data allowance.

The users can get the Nokia Asha 302 on pay monthly deals at Â£15 on Essential Internet 300 plan or at Â£30 on The One Plan with all-you-can-eat-data. On the other hand, the users who are willing to get this device under pay as you go plans can avail it at the cost of Â£89.99. The All in One plan comes at the cost of Â£15 and provides 30-day-access to all-you-can-eat data, plus you get 300 minutes for any network and 3000 texts. Besides, All in One 25 plan is also available at Â£25 and provides 500 minutes, 3000 texts and all-you-can-eat data for 30-day duration. On the other hand, the Asha 302 comprises of features like 3.2 MP camera, GPRS, Wi-Fi, QWERTY keyboard and more.
