Article published on March 19th 2012 | Music

The West End in London is home to some of the best theatre halls of the world. All the famous shows and musicals play in one or more of these halls sometime or the other. While most people think of movies for their entertainment, those that prefer nothing but the best look for theatres. People who love theatres buy London theatre tickets and they have got the moon. Chicago may remind you of the movie that won no less than six Academy Awards in 2003 but people that love theatres will tell you that Chicago is also one of the most loved musicals in the world and how much in demand Chicago musical tickets are.

Chicago is originally a play written by Maurine Dallas Watkins in 1926. Chicago is based in prohibition era Chicago and satires criminal justice and celebrity criminals. When you see the characters Roxie Hart and Velma Kelly on stage you are transported back to that era when Chicago was ruled by criminals. Chicago was originally produced in 1975 in the West End of London and the revival of the original play holds the record for the longest running Broadway play. Chicago the musical has had more than 6,200 shows till now. It also won the Olivier Award for Outstanding Musical Production in 1998. Now if you find that Chicago musical tickets are available and you donâ€™t buy them then wouldnâ€™t it be total injustice that you are inflicting upon yourself?
