Article published on January 4th 2012 | Music

Coldplay, without any question, is one of the most popular bands in the world at the present moment. And they sure do deserve to be in that spot. The Coldplay tickets sell out fast and their fans definitely show their love for the group. If you haven't caught Coldplay in action, you are really missing out. Not only do they sing their hearts out, but they put on an awesome show. It is a show you will never forget. However, getting your hands on Coldplay tickets is difficult because of them selling out so quickly.

Coldplay began performing back in 1997 and has gone on to make a name for themselves by winning many awards and topping the charts all over the world. After all the success Coldplay has had, they are still pushing out more. As a matter of fact, they will be releasing a new album at the end of 2011. Just in time for all of the new Coldplay tour dates.

Coldplay will be playing all over the world in 2012. Some of the areas they will be in include London, Sunderland, and Manchester. The Coldplay tour will start in December of 2011 and go through June of 2012. So, grab your Coldplay tickets now so you don't miss out. The Coldplay tour dates will range throughout the world and last for six months, so you should have a pretty good chance of seeing at least one show.

If you are in the UK area, you will have six chances to catch Coldplay live. So, get to ordering before you miss that chance of seeing them. Trust me, they play one heck of a show and you sure don't want to run the chance of missing this group play all of their best songs. With the new album coming out, I bet the show will be better than ever!
