Rajasthani Music - Enthralls the Listeners by Ahtisham Ahmed

Article published on February 29th 2012 | Music

The Rajasthani music and folklores are loved not only by Indians but by the tourists also. The rhythm makes the listeners flow with the beats of the music and enjoy to the apex. The beauty of the Rajasthani music cannot be captured but the very close glimpses could be felt in the album "Roots Travelers". Reflecting and recreating the same effect, the Dhoad Gypsies have launched their brand new album in October 2010, naming "Roots Travelers". The magnificent blend of different instruments and the magic of Rajasthan are clearly felt in this music album. Listeners from India as well as abroad are appreciating and loving the tracks in the album.

The artists of the album "Roots Travelers" include Ustad Gulam Ali (vocals, harmonium), Raees Bharti Kanpuri, Teepu Khan (vocals, tabla), Sanjay Khan, Mohammed Bundu, Sikander Langa, Imrat Devaka, Babu Khan Kunkawali (vocals), Ustad Lyiqat Khan (sarangi), Ustad Naseer Khan (harmonium), Arif Khan (castanets), Mohosin Khan (Jew's harp), and Amrat Hussain (tabla). The result of their excellent work and dedication is completely reflected in the exclusive tracks of the album. Their excellency in respective domain has made the album distinguished from those ordinary music albums.

The tracks included in the album "Root Travelers" are 'Banno", 'Rajasthani Reggae", 'Sanjay Khan", 'Experience of Colours", 'Shiv Ji", 'Maniara", 'Dhabi", 'Dhoad Pyaro", 'Shyam Solona", and 'Horse Chale Rhythm". Each track is unique, carrying a different flavor Rajasthan. The tracks of the album are winning the hearts of the Indians as well as foreigners, who love the Indian tradition and culture. The band has been engaged in the performing live and organizing various shows at national as well as international level. During the live performance, the audience is mesmerized with the ambiance that gets created with their music and demands for once more. The demand for more music reflects the uniqueness of the tracks of the album.

The tracks of the "Root Travelers" are extensively played in almost every Rajasthan cultural program. The Rajasthani folk music created by the Dhoad Gypsies has the power like magnet to attract the listeners and keep them connected. Moreover, the band is also called the charmers as they charm their audience with their lovely composed music. These albums are available in all the leading music stores and also online at affordable cost. The "Root Travelers" is an album that should be in one"s music collection. Nowadays, every Rajasthan cultural program organizer include tracks of this particular album for sure to impose the charisma of Rajasthan.
