Article published on June 2nd 2012 | Others

India is an unpredictable country. Anything can happen over here at anytime. Thus it is very crucial for Indian citizens to keep themselves posted with the current and latest news and events. India, as we all know, is a secular country and every state has a different story to offer us with. News in Hindi is usually preferred by Indians. This is because Hindi is our national and local language and thus it makes it better and easier for anyone and everyone to understand the news.

There are different types of news such as national news, international news and state news in Hindi. State news in Hindi refers to news and updates about a particular state. Nowadays, the state of Uttar Pradesh rather UP is coming in to action. UP which is known for its rich and cultural heritage is up with the latest and current news and events of the state. UP news in Hindi is made available to us all over the nation. Thus a person sitting in Punjab can get all the news updates about UP easily, thanks to UP news in Hindi. There are a list of newspapers and TV news channels that offer you with hot off the press UP news in Hindi. Topics such as politics, entertainment, education, law, welfare of the state, etc. are all discussed in detail.

State news is made available to us in different languages like Punjabi, Bengali, Hindi, Tamil, Assamese, etc. however most of the people prefer state news in Hindi. This is because news in Hindi is understood by each and everyone. There are ample of news channels that offer you with news in Hindi. These include Aaj Tak, BBC World service, NDTV, Sahara Samay, etc. these news channels make sure that you are provided with all the state news in Hindi.

It is very crucial that each and everyone are kept posted with the state news in Hindi so that every citizen is aware of the whereabouts of every state. Also people can support or oppose a certain issue and raise their voice against or in support of the states and thus make their views count. Also, when likeminded people come together, there is interaction among them which gives rise to mutual thinking and harmony amongst them.

News in Hindi thus creates a general awakening among the people. People also develop a great sense of general knowledge.
