An Awesome Experience of Rajasthan Tour by Khushboo

Article published on January 31st 2012 | Outdoors

Traveling around the royal place and beautiful cities of Rajasthan gives an exciting way of enjoying the tour. Royal Rajasthan has many places to explore by the tourists and to know the rich heritage and colorful and unique cities of the place. Each city has some uniqueness in itself and they have lakes, gardens, wildlife, havelis, and temples. Monuments, Palaces, Forts, Resorts and Hotels are some places where tourists can go and experience the Indian royalty. The special and unique thing which happens here is that half of the day of the state is burning in red hot and after sunset the hot air gets converts into the cool breeze, and the atmosphere becomes lovely.

Tourist who wishes to travel around the market can have a look on the things like art and craft, handlooms, pottery, puppets and various handmade things which is sold in open and local market. The dress codes of the cities are the major source of attraction. One more thing which attracts the travelers is the famous folk dance and the instrumental music. For more traveling there are some famous forts to visit i.e. Amber, Chittorgarh, Mehrangarh, Junagarh, Khejarla, and Jaisalmer. One can move towards the Pichola Lake also for a change. In Pushkar one can go to enjoy the Camel Fair. All these things are available at different places of the state. There are some Festivals which enrich the culture of the state very well and depict the picture of the country Camel, Dessert, Gang gaur, Khajli, Marwar, Marwar and Teej festivals.

Best time to visit Rajasthan is October-March. As like the other states tourists can see the unity in diversity here also as people of different religion like Hindus, Muslims, Janis, and Sikhs lives here. And the familiar languages they speak are Rajasthani, Hindi, Sindhi, and English. One cannot get bore at the trip as there are many activities which, not even attract the tourist, they will make them to enjoy and capture the memories with them for long life. Itâ€™s the place of sand all around which showcases the diverse nature of Indian land and atmosphere. Tourist who loves adventure and would like to make their trip more exciting and adventurous can go and have the experience of wildlife reserve.

Rajasthan Tour is Indiaâ€™s one of the best tour as it caters all the different aspects of life and tells many brave stories which is the past of our country, and defines the livelihood of Prince and Princess and their way of leading life. Such stories directly and indirectly clear the mind set of tourist that India is a poor country. Rajasthan is traveled by many tourists and itâ€™s the fact that after admiring the richness of all the cities of Rajasthan they use to cherish each and every moment they spend here.

Tourist and the tourism of the place are always on cloud nine as the people of the cities maintain their rich heritage and lovely land lively. Thatâ€™s why the Rajasthan tour packages are always keeps on changing day by day and tries to satisfy their customers as they can. After all making guests happy is the first priority of Indians. So just go on Rajasthan travel and treasure unique lifetime experience.
